Human Relationship

The Logo

The Primary Logo

LARGE PROPORTIONS

H&S Energiesysteme

SMALL SIZE PROPORTIONS

H&S Energiesysteme

The logo comes in two size proportions for small and large usage. Making sure “Energiesysteme” is always readable.

LARGE PROPORTIONS

SMALL SIZE PROPORTIONS

Please make sure there is always enough space around the logo, with a minimum of the H width around the logo.

H&S

The Secondary Logo. If for some reason the logo cannot be displayed in full, the logo can be used without “energiesysteme”. This would be the case for example for a social media profile image.

Example of logo on different brand colours. The logo itself can be used in Dark Graphite or in White.

Brand Imagery

Some examples of images that can be used. The Brand imagery should be a combination of being user centered and showing the technical know-how. Images with a yellow flare can be used to add warmth to the images.
